OBJECTIVE

Motivated Computer Science and Engineering student with a strong passion for coding and building technology-driven solutions. I am excited to apply my knowledge to real-world projects, contribute to innovative development teams, and grow professionally in a dynamic and collaborative environment.

EDUCATION

Degree	Specialization	Institute	Year	CPI
B.Tech	Computer Science & Engineering	Kamala Institute of Technology and Science	2022–2026	8.09
Intermediate	MPC	Sri Chaitanya Jr College	2022	94.6
SSC	–	Alphores High School	2020	92.6

SKILLS

- **Technical Skills:** Python, HTML, CSS, JavaScript.
- **Soft Skills:** Quick Learner, Teamwork, Communication, Time Management.

PROJECTS

- **Next Enti** *MIT App Inventor | Mar–Apr 2024*
 - Designed and developed an interactive mobile application using MIT App Inventor.
 - Aimed to guide CSE students in discovering relevant higher education paths and career opportunities.
 - Enabled users to explore domains, entrance exams, and future scope of various career options.
- **Victory Musics Website** *Web Project | Apr 2025*
 - Created a music store web application using MERN Stack.
 - Implemented features including instrument catalog, lesson booking, shopping cart, and user profile.
 - Focused on user experience with organized layout, clear navigation, and mobile-friendly design.

PRESENTATION

- **NCAET Seminar - Generative AI**
 - Delivered a presentation on Generative AI, discussing its applications, challenges, and future potential in various fields.

CERTIFICATIONS

- **Oracle Certification in Java** *TASK, 2023*
 - Completed a 3-months program demonstrating proficiency in Java programming and understanding of core concepts.
- **Five-Day Workshop on AI in Web Development** *Brainovision, 2024*
 - Attended a hands-on workshop titled "From Automation to Innovation" exploring AI integration in modern web development.

- Gained practical exposure to tools and technologies used to automate and enhance web interfaces using AI techniques.
- **AI Primer Certification** *Infosys Springboard, 2025*
 - Completed certification on foundational Artificial Intelligence concepts and real-world applications.
- **Pragati Program** *Infosys Springboard, 2025*
 - Participated in the Infosys Springboard Pragati Program aimed at empowering students with digital skills and soft skills for industry readiness.

DECLARATION

- I hereby declare that the information furnished above is correct and true to the best of my knowledge.
